Subject: George Finnegan Meeting- Please file M23-67- RDS 502

On September 4th, Mr. Finnegan arrived at our office with Mr. Joe Dunlop to pay our permit fees and stated that he was waiting for the money to come together on the bond from Valley Asphalt and some other people but had not heard yet on the distribution of funds. At this meeting I informed him that we would give him until the end of the week.

CC: Joelle Burns; Mary Ann Wright
